Franc (Peter Kelly), from Weddings by Franc, is using his magic on Bishop Lucey Park to create the "Park of Dreams", an illuminated interactive winter wonderland which is full of Christmas surprises. Don't be afraid when the main gate of the park starts to speak and tells you about the history of the park.

Walk along the lit up pathways and explore the atmosphere within. Visit the Swan Fountain where the swan will tell its own story and invite children to make a wish. Meet Peter Pan and Tinkerbell and make sure to post your letter to Santa in the magical mail boxes dotted around the park.
